Fall 2007

Welcome to a new year of Scouting with Troop 462. We have a again a very good program prepared for this year, with plenty of camping trips and with new activities planned for the Troop meetings. An important theme this year is Wilderness Survival with winter outdoor camping events.

Summer 2007 Highlights

Last summer our Troop had 3 successful camping events:

- 1) Canada Fishing Trip: 8 scouts and 4 adult leaders participated in this great adventure where we caught our allowed limit of Walleyes and Northern Pikes**
- 2) Oshkosh Air Show Trip: 6 scouts and 2 adult leaders enjoyed a fantastic show with hundreds of planes in action**
- 3) Tomahawk Trip: 14 scouts and 5 adult leaders went to this trip. Every scout advanced in rank!!!
Congratulations to all of you!!!!**

Congratulations to Corey Dowdle and for having successfully completed all the requirements to become the newest Eagle Scout in Troop 462

Attention: Scouts, Leaders and Parents of Troop 462 !!

Troop 462 website is up and running:

- 11/09/07 Camping (outdoors) at Tomahawk, Wilderness Survival Theme

Weekend Campout Fee's will continue to be \$15.00 for regular camping trips

While we have plenty of camping events planned for this year, no trip is guaranteed unless we have enough scouts coming to each camping event. Therefore, it is important that we know ahead of time which scouts will go to each of the camping trips.

Catch of the last day of fishing in Canada at Birch Point Camp, which ended early!
